Class of 1994

Mayor James A. Sheets

Superintendent Eugene Creedon

Four years ago we began.
Frightened children;
Clones of one another,
Each child wanting to be just like the next.
Then, we started to grow.
Growing apart as we grew together.
Our uniqueness and individuality
Shining through our united front.
And now this chapter shall come to a close.
We will walk away with our tickets to the future,
Our reward for striving so far.
And we will look to the open fields
And steep cliffs ahead.
We shall choose our mountains to climb
And our footpaths to walk.
And if, perchance, we should meet again,
We can sit and reminisce of our years together.
And when all is done
We can simply say,
"You've come a long way, Baby!"
And ain't that the truth.

SPORTS HIGHLIGHTS

The North Quincy High Football team started off slow but came roaring back at the end of the season and capping a 6-4 season with an upset victory over rival Quincy High.

The boys Cross Country team finished with an 0-8 record. This can be attributed to a team comprised with mostly novice runners and underclassmen.

The girls Cross Country team had one of its best seasons ever — finishing fifth at the Massachusetts All States, runner up in Division Two Eastern Mass and third place at the strong Old Colony League Championships.

The Wrestling team completed its most successful year by competing in the Division 2 Sectionals. The team was led by tri-captains Billy Chiu, Chris Hammil and Franny Bellotti.

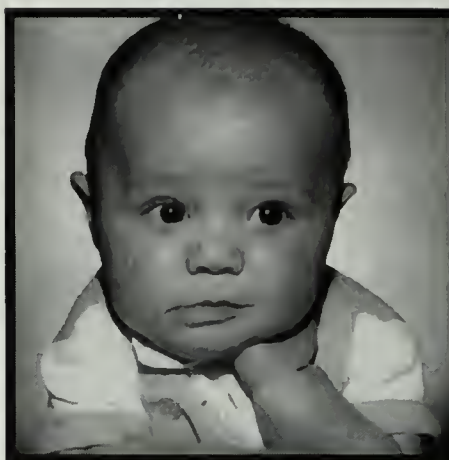

The girls volleyball team finished the season with an outstanding record of 20-5; losing in the state semi-finals. They were the East Sectional Champions.
